

## STICKS

Chardonnay Viognier 2006

*A Towering Success*

### TASTING NOTES

This Chardonnay/Viognier blend is straw colored with accents of vibrant green hues. The white peach bouquet has lifted nectarine aromas and the palate crisp, ripe peach and apricot with hints of vanilla.

### VINIFICATION

This unoaked style was inspired by Chablis in France. The juice was cold settled, raked then fermented in stainless steel vats at cool temperatures to maximize fruit expression and varietal character. Bottled soon after the end of fermentation, this wine is all about freshness.

### VINEYARDS

Fruit for this range is drawn from Sticks' established estate vineyard in Yarra Glen and from valued local growers, who we call "Friends of Sticks."

<b>WINEMAKER:</b>	Rob Dolan
