

# STICKS

Sauvignon Blanc 2006

*A Towering Success*

## TASTING NOTES

This Sauvignon Blanc is pale straw with a green tinge. The bouquet is of passionfruit, zest, and lychees followed by gooseberry, apple and passionfruit on the palate.

## VINIFICATION

After settling, the juice was racked and fermented in vats at cool temperatures to capture fruit freshness. It was fined and bottled soon after the end of fermentation.

## VINEYARDS

Fruit for this range is drawn from Sticks' established estate vineyard in Yarra Glen and from valued local growers, who we call "Friends of Sticks."
